COVER PAGE

This budget will raise more total property taxes than last year's budget by \$52,563 (1.07%) and of that amount, \$363.73, is tax revenue to be raised from new property added to the tax roll this year.

September 26, 2018

The Honorable Mayor and City Council,

In compliance with the Local Government Code we present the 2018-2019 fiscal year budget for your review. I want to thank all of our dedicated department heads and staff, and the collective efforts of the City Council and Mr. Noel Snedeker our fee accountant. We have strived, once again, to allocate our financial resources among the departments to meet the goals established by the City Council using sound financial policy as our guide. This is a balanced budget

This budget covers the fiscal year beginning October 1, 2018 and ending September 30, 2019. We feel this budget will continue to serve the needs of our community at the same level as the prior fiscal year and incorporates a funding mechanism to reach our goal of a restrictive reserve of \$200,109. For the 2019-year end.

In an effort to reduce expenses we had combined code enforcement and animal control and placed these departments under the temporary direction of the Public Works Director. In the 2018-2019 budget we have separated these departments and they will be back under the control of the Police Department. Compliance to city ordinances is going to be a priority so that beautification of the City becomes a way of life. Code enforcement, building and animal ordinances will be reviewed and updated.

The 2017-2018 fiscal year was a year of repairing and rebuilding due to Hurricane Harvey. It redirected our staff in many ways in order to keep the City "Operating as Usual". Job assignments

Towards the end of the 2017-2018 fiscal year there was a significant increase in sales tax. This may be due to the further development at the GCGV site in Gregory and other corporate businesses in the area. It is expected that this will continue due to the labor force using restaurants, gas stations, convenience stores and other retail operations in Taft.

There is much interest in the 105 acres that is owned by the EDC and we feel that the downtown revitalization project that is currently underway by the EDC, coupled with the final phase of the sidewalk project, the street rehabilitation project by the TQIC, the great scores for the Taft Independent School District and our ongoing code enforcement this will bring a new look to Taft and will encourage companies to invest in our City.

The City is moving forward on a possible development of a City-Owned RV Park Resort located off of Rincon Road. This is projected to bring in substantial additional revenue to the City in an area that provides many activities and sites within a short driving distance. We have been in communication with

"SERVICE IS OUR BUSINESS"

P. O. BOX 416 • TAFT, TEXAS 78390-0416 • [361] 528-3512

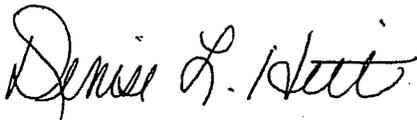

several companies interested in developing other properties within the city limits and are working to bring those to fruition.

We have some wonderful individuals that give a great deal of their time, for no remuneration, to bring growth to our city or provide funds for beautification projects, street maintenance, library equipment and supplies and public safety. They are: City of Taft Economic Development Corporation, Taft Quality Improvement Corporation, Pride of Taft, Blackland Museum, Taft Volunteer Fire Department, Chamber of Commerce and Friends of the Taft Public Library. Tremendous support from these organizations and great assistance to the City Manager.

A master plan for the next three years is currently being developed and will encompass the most current needs of the City and the future expected needs and demands of a City in great demand due to its geographical location in the San Patricio County development corridors. Positively! Taft has become the mantra among our staff and we look forward to the 2018-2019 year as the best year yet for our small but awesome city. We have great support from the residents and we look to improve all facets of the landscape.

As a City Manager I could not ask for more positive support than I have received from not only this council, but the residents and businesses. We look to improve even more on our customer service to the community through increased knowledge, training and programs. I am excited about being a part of the continued progress that Taft has made and look forward to a promising future for the residents of Taft.

Respectfully,

A handwritten signature in cursive script, appearing to read "Denise L. Hitt".
